Classification – the TSTA Classification Committee must classify each shooter. Your ATA card must be averaged and up to date. Shooters will be classified according to their known ability, which may exclude abnormally low scores. Five standard ATA classes will be used for singles and doubles, AA-A-B-C-D.

Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous two years shall be placed in Class B or higher at the discretion of the Committee.

Shooters who do not have a total of 500 doubles targets registered with the ATA in the current and previous two years shall be placed in Class B or higher at the discretion of the Committee.

All shooters who do not have a total of 1,000 handicap targets registered with the ATA in the current and previous two years shall be assigned penalty yardage of 23 yards for adult males and Veterans, 21 yards for Sub Juniors, 22 yards for all other special category shooters, or their handicap yard yardage, whichever is greater.

A.I.M Classification and Qualification – A.I.M. shooters will be assigned to classes by their coaches. Each A.I.M shooter must have shot at least 300 targets in the current or previous two years prior to entry in this tournament.

Categories – Categories applicable to all events beginning on Thursday are Lady I (under age 55), Lady II (age 55 and up), Sub Veteran (age 55 and under 65), Veteran (age 65 and under 70), Senior Veteran (age 70 and up), Sub Junior (under age 15), Junior (age 15 and under 18), and Junior Gold (age 18 and under 23). Eligible shooters may declare only one category and must do so at the time of entry. Without such declaration at the time of entry and before beginning to shoot the event, no shooter will be allowed to compete for any category trophy. The only exception is to correct an error by shoot management.

Yardage Groups (4) – 18-20, 21-23, 24-26 and 27 yards.

Pre-squadding – Shooters may squad in advance on PreSquad.com at no charge. Watch the PreSquad.com website for the opening dates for this service.

Daily fees are \$3.00 ATA and \$2.00 TSTA.

Missed squads – There will be a \$10.00 re-squadding fee for shooters who miss their squad or who change squads after paying for entry. Re-squadding will be to the same trap(s) as the original squad.

Attendance Pins and Other Awards – Each entrant will be awarded a Tennessee State Shoot attendance pin while supplies last. Shooters who break 100 or 200 straight from scratch will be awarded a special TSTA pin on the first occasion only. The TSTA will have a limited supply of 25, 50 and 75 straight patches for a shooter's first such achievement.

Entry & Refunds – Refunds of entry fees, daily fees and options must be requested prior to the beginning of the event. Positively no refunds of any money will be made after the first squad in the event begins shooting, regardless of the time or day the event is to be completed. Shooters wishing to shoot for "targets only" will be charged the full entry fee stated for the event. All entry and options must be paid for in full at the time of entry.

Money Payoffs– Payoffs will be available at a reasonable time each following day except Events 8 and 9. Payoffs for Events 8 and 9 may be made after Sunday's shootoffs are complete or mailed after the shoot. Uncollected payoffs for Events 1-7 will be mailed after the shoot concludes. No scores that affect payoffs will be changed after payoffs begin. Any score error that may affect payoff winnings will not be changed after the score sheets have been posted for 20 minutes.

Trophies – No shooter may win more than one trophy per event. ATA rules will govern all trophies in this tournament. Any special category shooter may elect to win or shoot off or carryover for the event champion trophy. If he/she does not win the event champion trophy, and the shooter is high or tied for high in his/her category, then the shooter must take the applicable special category trophy, or shootoff or carryover for it, and may not elect a class or yardage group trophy. If a shooter is not high or tied for high in his/her special category, then he/she will become eligible to compete for the applicable trophy in his/her class or yardage group. Trophies must be picked up during the shoot. Trophies will not be kept at the gun club or mailed to winners. A.I.M. rules will apply to the A.I.M. event.

Class Move-ups – Shooters with the high score in their class, regardless of trophy wins or ties, will move up a class for the next similar event.

Shootoffs and Carryovers – Ties in Events 1, 3, 4 and 6 will be carried over to the next similar event. Ties for all runner-up awards will be settled by reverse score by sub-events. Ties in all other events will be shot off after the last event of the day, time permitting. Shooters involved in ties have the responsibility to ascertain when and how their tie will be settled. Shooters not answering shootoff call will forfeit.

Shells – One vendor to have the exclusive right to sell popular brands of shells on the grounds. All ammunition must conform to ATA rules and will be subject to inspection. Using illegal loads will result in disqualification and reporting to the ATA.

Empties – Empty shells on the ground are the property of the NGC/TCTC.

Traps & Targets – 12 PAT traps and White Flyer targets will be used for program events. On Saturday 13 traps may be used.

Food – Lunch and snacks will be available on the grounds.

Business Meeting – The annual business meeting of members of the TSTA will be held in the clubhouse at 8:30 am Sunday morning, immediately following the Hall of Fame ceremonies, and prior to the Doubles Championship. To be eligible to vote, all members must present their ATA paper average card for the current target year (NOT the plastic card) to provide proof of membership.

Enforcement of Rules – ATA rules will govern this shoot. Shooters who violate ATA or posted TCTC safety rules will be disqualified and will forfeit their right to trophies and money. Management reserves the right to refuse entry or eject any shooter or other person who interferes with the harmony of the shoot. Any person who consumes an alcoholic beverage in any quantity will not be permitted to shoot practice, event or shootoff targets the remainder of that day. In accordance with ATA and NGC / TCTC rules, eye and ear protection are mandatory for all shooters.

RV Camping – Contact the club for campsite reservations and to arrange for sewage removal.

Golf Carts – All cart drivers must have a valid driver's license in their possession.

Pets – All pets on the grounds must be leashed and under control at all times. Owners must pick up their pets' droppings.

Changes – Management reserves the right to change or cancel any part of this program because of weather, power failure or other sufficient cause.

Trapshooting Hall of Fame Contributor Award

Please see the Trapshooting Hall of Fame Purse in Event 7 – The Tennessee Singles Championship.

The \$20 fee to enter this purse is a 50% tax deductible donation to the Hall of Fame. This donation provides support to the new museum and to the many worthy projects undertaken by the Hall of Fame. All donors will qualify for the Hall of Fame Award. Your entry receipt shows the contribution for your records. The Hall of Fame will retain 50% of the donation while the remainder will constitute the portion to be awarded. Monies will be paid out in three Lewis Classes, 60-40 high gun in each class.

The high score on the 200 targets in Event 7, among those who enter this purse, will receive an award provided by Shamrock Leathers, suitably engraved. Ties will be resolved by reverse score by sub-event. If reverse score does not break the tie, management will draw the winner from among those tied.
